February 25	Judy Wilson, Sheila Kelley

Library

It's the "sweet" month of February!
Can you guess what that means in the Library?

You are right! It is time for the annual Candy Count Contest! Everyone is invited to participate. Simply study the window display to calculate how many pieces of candy are there, then enter the amount in the jar in the Library. Again, this year, we will have a separate contest for children under 12.

Please come in the Library for this fun event! We will award the prizes (candy) on the last Sunday in February. Come on ladies, every year a man has won, we need to show them our awesome math skills!

We hope you are the winner!
