Spring has sprung, as the saying goes...the tree blossoms and flowers blooming, just take your breath away. God has blessed us with glorious landscapes for our pleasure.

The month of May brings many special events. Mother's Day, Graduations, and Proms can keep us very busy...but we can still make time to enjoy a book or a DVD.

Please take time to check out the media in the Library. We have several new DVD's in the library, along with new books arriving.

We look forward to seeing you in the Library this month!
