SUNDAY OUTREACH NIGHT

Sunday evenings outreach • 5:00-6:15 pm each Sunday.
Starting June 30 - August 18 • Meet in the Fellowship Hall
Worship at 6:15 pm

The spirit of love shown by our church members is truly from God. I am so thankful for all the hard work, dedication, and compassion that our church body has shown our community this summer. First, we had a fantastic VBS week with over 80 people in our church family giving of their time and talents to tell boys and girls about Jesus. In the Wild was a week when countless seeds of the gospel were sown in fertile, young hearts.

After VBS, and for our visitation team during VBS, several of you met to go personally and reach out into homes to share the gospel. God will reward your efforts.

Then, on June 23rd, everyone participated in a great Neighborhood outreach at our Family Fun Night. We had several new families attend and everyone there was blessed by the good news message of the movie "Run the Race." I am so proud of all of you and your faithful service to the Lord. God is at work at Ridgecrest and I pray you will keep on running the race together as we seek to glorify our Lord and Savior by showing His love to everyone around us.

We will provide you with another opportunity to reach out each Sunday night at 5 PM. During the next few months, you can come to the fellowship hall and we will group you with one or two others to visit someone who has shown interest in our church. If you are inexperienced, we will put you with someone who is willing to do the talking. Jesus sent His disciples in groups of two to go out sharing their faith. His great commission commands us to "go, make disciples." I hope you will take the challenge and come be a part of all God is doing.

In His Service,
Pastor Gary

Books • Commentaries • CDs • DVDs

Summer brings many celebrations that keep us active. Fourth of July fireworks, cookouts with friends, activities at the lake, along with pool activities keep us busy. But it is also the time to slow down and enjoy the simple things during summer.

We encourage you to browse the books in the library. There are new arrivals you may enjoy reading when the temperatures soar. Enjoy the summer, relax, rest and make the most of the long, hot days!
Have a happy summer . . . reading!
