What is Extended Session?

Extended Sessions are designed for babies through Kindergarten who will be staying in Preschool during morning worship. This is a time for children to learn through play, crafts and Bible Stories. Snacks may be provided during this time to all children age One - Kindergarten. Be sure to let our staff know if your child has any allergies or other health conditions of which we should be aware.

Volunteers in each room go through a background check so that you can feel safe about leaving your little ones in our care. We have different volunteers each week that serve in each of our classrooms. If you would like to become one of our Extended Session Volunteer's contact Marie Anderson.

Each Sunday we provide a nursery for our babies through Kindergarten during our Worship Services. We have different volunteers each week that serve in each of our classrooms.

High Attendance Day

SUNDAY

October 20

The real emphasis is not so much a large number but to reach out to those that have not attended in recent weeks, and inviting unchurched family and friends to attend Sunday School and Worship. There are many that are just waiting to hear from someone that they care.

It is amazing what God can do through a visit, a card, an e-mail, or a phone call that has been bathed in prayer and extended with a heart filled with the love of God.

Who can you invite to church on this day?
