Merry Christmas! The Christmas Season and all it brings is finally here! Visiting with friends and family during the holidays is a heartwarming time for us. Our homes become a hub for everyone to get together. Take time to reflect on the blessings of Christmas and the joy of our Savior this December!

Remember to take time during our busy days to reach out to someone that is experiencing a hardship or stress, to show the love of Christ through our actions!

Thanks to Billy Holmes for making the beautiful angels for the display window for all to enjoy their beauty!
Visit us in the library this month for a great book to read.
May the blessed Christmas season fill you with joy and peace!
